Dear Leonid Kushner:

Please be advised that your subcontractor on the above-referenced public works project may be in violation of the New Jersey Prevailing Wage Act (N.J.S.A. 34:11-56.25 et seq.).

This office has conducted an inspection of the subcontractor's records, and the preliminary finding indicates possible violations. The subcontractor has not yet had the opportunity to respond to our preliminary findings, and a final determination will be made after all of the necessary information has been gathered. You are being advised of this matter because, as the general contractor on a public works project, you may be held liable for the attached assessment against your subcontractor, if your subcontractor fails to comply with the provisions of the Prevailing Wage Act.

If you have any questions or need additional information regarding this matter, do not hesitate to contact me. Lastly, if you have any information which you feel may be helpful in resolving or investigating this matter, please forward it to my attention immediately.

Sincerely,

Marc Goldberg, Section Chief
